Also available in larger size (S5691)
Can hold water
One of several pieces from a large collection
Veteran photographer Sandi Fellman's ceramic vessels are an exploration of a new medium. The forms, palettes, and sensuality of her photos can be found within each piece. The tactile nature of these works are influenced by her time spent in New Mexico, as well as her admiration for southwestern Native American crafts. Fellman also finds pleasure in her many juxtapositions which make each vessel unique.
