Contemporary painting by Spanish artist Santiago Castillo. This large painting is created in oil and stucco on wood. The stucco and a combination of matte and gloss paint finish create an interesting textural effect. The painting is in a black wooden shadow frame. The artist was born in Madrid in 1970 and continues to live and work there. Santiago Castillo has exhibited in Spain and New York and his works have been acquired by many private collectors internationally. We have a large collection of paintings by this artist.
