Contemporary painting by Spanish artist Santiago Castillo.

This large painting is created in oil and stucco. Very moody in deep dark black, brown and grey. The stucco and a combination of matte and gloss paint finish create an interesting textural effect.

The painting is framed in an off white frame.

The artist was born in Madrid in 1970 and continues to live and work there.

Santiago Castillo has exhibited in Spain and New York and his works have been acquired by many private collectors internationally.

We have a large collection of paintings by this artist.
